for indonesia
prospectus for 2024**

**IN COOPERATION WITH
THE MINISTRY OF EDUCATION, CULTURE, RESEARCH AND TECHNOLOGY OF
THE REPUBLIC OF INDONESIA
AND
PERSADA**

1. Outline and Objectives

The MITSUI-BUSSAN SCHOLARSHIP PROGRAM FOR INDONESIA (hereinafter referred to as "the Program") was established in Tokyo, Japan, in 1992 as a non-profit foundation under the approval of the Ministry of Education, Culture, Sports, Science and Technology (formerly called the Ministry of Education) of Japan based upon a fund prepared by Mitsui & Co., Ltd. The Program aims to encourage Indonesian students who wish to study at universities in Japan and obtain a bachelor's degree thereby.

The objective of the Program is to support and assist the selected students (i.e., grantees) so that:

Firstly, the grantees could learn about and become intimate with Japanese culture and customs.

Secondly, the grantees could develop an international sensibility through daily life in Japan.

Thirdly, the grantees are expected to have a constant interest in social issues in Indonesia and be able to propose solutions to these social issues through their studies and daily activities in Japan.

Consequently, the grantees would be able to make their best efforts in their respective fields so as to contribute to the development of Indonesia after finishing their studies in Japan, calling upon their experiences of living and studying in Japan.

Therefore, the grantees who have completed their studies in Japan under the Program would be requested to make their utmost effort to materialize the Program's objectives, however, the grantees will be entirely free from any other obligations and duties.

2. Qualifications

Whilst for grantees whose domicile is outside *Jabodetabek* area, the lodging expenses (boarding house) and transportation fee (between his/her hometown and Jakarta) to attend the pre-departure training program would be borne by the program.
- Depending on the situation, the method of preliminary education may be changed.

<Special Description>

Notwithstanding the foregoing, for the applicants who passed the 2nd Selection while those who could not become the grantee, there is a possibility that a certain entity (e.g. PERSADA) appoints and recommends one of those applicants to another scholarship program such as the program prepared by the Japanese Government subject to the applicant's agreement. Precise details of the other program shall be provided by a certain entity (e.g., PERSADA) upon the applicant's prior consent namely, if anyone of those applicants so wish.

Also, for the applicants who took the written examination while those who could not proceed to the 2nd selection, there is a possibility that any of the Japanese universities or organizations invites one of those applicants to apply for its proper program studying in Japan subject to the applicant's agreement. Precise details of such program shall be provided directly by principal of such program upon the applicant's prior consent namely, if anyone of those applicants so wish.

7. Placement at Universities in Japan and Major Fields of Study

- (a) Placement of the grantees at universities and in their major fields of study in Japan shall be finally approved by the Program after taking the grantees' wishes and related records into consideration, before the grantees take the entrance examinations of the universities.
- (b) Change of major or field of study after entrance to a selected university will not be allowed.

8. Duties during Scholarship Program

- (a) The Grantee shall submit to the Program a record of academic achievement at the end of each school term and a status report on his/her studies and life periodically in a form and substance acceptable to the Program.
- (b) The primary focus of the Grantee shall be on educational endeavors during the term hereof. Accordingly, the Grantee may not work, earn a profit or commercial benefit of any kind or character, or perform any types of compensated services for any employer or person during his/her stay in Japan, with or without compensation, except after having obtained the prior written approval of the Program in each case. In the event that the Grantee nevertheless receives any direct or indirect compensation or economic profit in violation of this Clause 8 (b), the Program may freely adjust any of the subsidies and benefits provided under this Agreement in its sole discretion.

9. Remarks

- (a) Grantee shall be deprived of his/her scholarship and required to return to Indonesia in any of the following cases.
 - (i) Any false statement has been made on the application dossier.
 - (ii) Any article of the grantee's pledge to the Program is violated
 - (iii) The grantee faces difficulty in continuation of his/her studies due to health reasons.
 - (iv) The grantee violates rules and regulations of the Japanese Language Center and/or universities as well as laws and regulations of Japan.
 - (v) The grantee has no promise for academic achievement within the designated period (e.g., failure to achieve a satisfactory level in the Japanese language or in his/her major subject).
- (b) Entrance to and graduation from university in Japan could only be achieved by the efforts and endeavor of the grantee himself/herself, and the Program is not in a position to guarantee such entrance and graduation, although the utmost support and assistance would be given.
- (c) Since this Program is a study abroad program in Japan, if the Program determines that it is difficult to dispatch Grantee due to epidemics, natural disasters etc., the Program may cancel to dispatch Grantee.
